

# Introducing the **New Commercial Rear-Entry** **Built on the Chrysler Voyager**

The BraunAbility ADA compliant Commercial Rear-Entry on the new Chrysler Voyager is the culmination of over 50 years experience in wheelchair accessibility in commercial and public transportation. The rear-entry conversion is a passenger-friendly as well as a cost-efficient mobility solution for many commercial transportation providers.

The Voyager Commercial Rear-Entry has multiple seating options available to accommodate passengers and wheelchair users. Depending on the options you select, you'll have the flexibility in seating and wheelchair configurations to meet all your customers' needs.

BraunAbility has a proven track record of producing economical and dependable commercial vehicles designed to keep you up and running day after day, year after year. Contact your BraunAbility representative today to see how the wheelchair accessible Chrysler Voyager can help you maintain ADA compliance... and your bottom line.
